

Samtel India Limited (SIL) was incorporated on 28.06.1981 under the Indian Companies Act, 1956. SIL is a listed company and its equity shares are listed at BSE Ltd.

The company was into the manufacturing picture tubes for black & white television.

However, due to change in technology and advent of new age televisions the business of the Company suffered losses and closed all its manufacturing units.

The Company later on entered the Service Industry and started the activities of supply of man power to companies. The Manpower Supply Business also has to be closed down as the continuing difficult phase in the industrial and manufacturing sector impacted the business quite adversely.

The Board of Directors are exploring various business opportunities and have recently ventured into Trading Activities.

Mr. Satish K. Kaura, is the main Promoter of the Company and is in charge of the affairs of the Company in his capacity as the Chairman & Managing Director.
